

## About Dr. Leigh Quesnel

**Leigh Quesnel is the Director of HQS Clinical Services. In this capacity he has been a leading organizational consultant for well over 20 years. He has worked with small and large organizations in both the public and private sector, nationally and internationally. Dr. Leigh has served numerous federal and provincial government departments and crown corporations. In the private sector, he has worked with a number of large service and manufacturing enterprises. More recently in light of the current pandemic Dr. Leigh has spent significant time helping individuals and organization manage the challenges of social isolation and the new workplace. See more on this aspect of his work at [www.hqs.ca](http://www.hqs.ca)**

**Dr Quesnel also maintains and active clinical practice and has done so for 20 years. He has worked in northern Indigenous settings for some number of years and continues to be actively implicated there. His focus is pragmatic, and land based as well as client and culture centred with an accent on problems solving and moving forward gently and respectfully.**

**Dr. Quesnel is recognised for his capacity to integrate the most recent academic thinking and best practices to yield some of the most novel, well thought out and pragmatic therapeutic solutions to the many dilemma presented to us by a complex, rapidly and unpredictably changing world.**

**Finally, Leigh has a Ph. D. in psychology and has lectured in the faculties of psychology and commerce at the universities of Manitoba and Winnipeg. He speaks French and English fluently and works regularly in both those languages.**
