

- 1) Resolution: That all activities put forward by regional committees that have occurred consistently (3 years of activities) be placed as a permanently funded activity line.
 - any changes in costs need to be approved
 - any new items to be added need to have 3 years of consistent (annual) participation

- 2) Resolution: That one day be added to each PRC meeting to allow for training.
 - one day added to provide one full day of training per year of the 3-year cycle
 - increasing knowledge of the activists who are running our union is extremely important
 - as PRC reps may need to move on this training will show the importance of knowledge, the importance of growth, and the importance of succession planning
