

Recommendations from the PRC Health & Safety Committee Saskatoon - 07July 2017

- The PRC Health & Safety Committee met on Friday July 7, 2017 and selected Brother Gus Mardli as the Chair of the Committee.
- The Committee also selected Sister Valerie Illingworth as a Vice-Chair for the Committee, if this is in order with the PRC BY-LAWS, to help the committee in fulfilling the implementation of its TOR, should the Chair be absent.
- The committee discussed some of the concerns H&S activists in the region had and would like to recommend the following:
sending a call-out to all Prairie Region H&S activists to seek their input on how they see the Regional H&S committee functioning in the Region. Their input and direction will then be used in preparing the New TOR for the Prairie Region H&S Committee.

Respectfully Submitted,
