Note:

Bold indicates a change from the previous collective agreement.

ARTICLE 1 - PURPOSE

- 1.01 The purpose of this Agreement is to maintain harmonious and mutually beneficial relationships between the Employer, the Alliance and the employees and to set forth herein certain terms and conditions of employment upon which agreement has been reached through collective bargaining.
- 1.02 The provisions of this Agreement apply to the Alliance, employees and the Employer.

ARTICLE 2 - RECOGNITION

- 2.01 The Employer recognizes the Alliance as the exclusive bargaining agent for all employees of the Employer described in the certificates issued by the Canada Labour Relations Board for the Firefighting Bargaining Unit dated February 23, 1993 and the Fire Captain bargaining unit dated May 21, 1997.

The parties acknowledge that the Employer's agreement to include Fire Captains in the negotiation and application of this agreement is without prejudice to their right to negotiate separately with members of this unit in subsequent negotiations.

For the purposes of this agreement, Articles or Clauses referencing members of the Firefighting Bargaining Unit will also apply to Fire Captains.

ARTICLE 3 - MANAGEMENT RIGHTS

- 3.01 Except to the extent provided herein, this Agreement in no way restricts the authority of the Employer.
- 3.02 The rights set forth in this Article and those otherwise retained by management shall be exercised in conformity with the provisions of this Agreement in good faith and without discrimination.

ARTICLE 4 - UNION SECURITY

- 4.01 Subject to the provisions of this Article, the Employer will, as a condition of employment, deduct an amount equal to the monthly membership dues from the pay of all employees in the bargaining unit. Where an employee does not have sufficient earnings in respect of any monthly period to permit deductions made under this Article, the Employer shall not be obligated to make such deductions from subsequent salary.
- 4.02 For the purpose of applying this Article, deductions from pay for each employee in respect of each calendar month will start with the first full calendar month to the extent that earnings are available.
- 4.03 The Alliance shall inform the Employer in writing of the authorized monthly deduction to be checked off for each employee.
- 4.04 The amounts deducted in accordance with Clause 4.01 shall be remitted to the Comptroller of the Alliance by cheque no later than the 25th of the month following that

in which the deductions were made and shall be accompanied by particulars identifying each employee and the deductions made on the employee's behalf.

- 4.05 No employee organization, other than the Alliance, shall be permitted to have membership dues and/or other monies deducted by the Employer from the pay of employees in the bargaining unit.
- 4.06 The Alliance agrees to indemnify and save the Employer harmless against any claim or liability arising out of the application of this Article, except for any claim or liability arising out of an error committed by the Employer limited to the amount actually involved in the error.

ARTICLE 5 - WORK IN THE BARGAINING UNIT

- 5.01 Employees not covered by the terms of this agreement will not perform duties normally assigned to those employees who are covered by this Agreement, except in emergencies when regular employees are not available.

ARTICLE 6 - STRIKES AND LOCKOUTS

- 6.01 There shall be no strikes or lockouts (as defined in the Canada Labour Code and accompanying regulations) during the life of this Agreement.
- 6.02 Where an employee expresses a concern for their safety in attempting to cross a picket-line on the Employer's premises, the Employer will ensure a safe access to the workplace.
- 6.03 If employees are prevented from performing their duties because of a strike or lock-out on the premises of a federal, provincial, municipal, commercial or industrial Employer, the employees shall report the matter to the Employer, and the Employer will make every reasonable effort to ensure that such employees are employed elsewhere, so that they shall receive their regular pay and benefits to which they would normally be entitled.

ARTICLE 7 - JOINT CONSULTATION

- 7.01 The parties acknowledge the mutual benefits to be derived from joint consultation and are prepared to enter into discussions aimed at the development and introduction of appropriate processes for the purpose of providing joint consultation on matters of common interest.
- 7.02 Upon request of either party, the parties to this agreement shall consult meaningfully at the appropriate level about contemplated changes in conditions of employment or working conditions not covered by this agreement.
- 7.03 The Employer agrees to give the Alliance reasonable opportunity to consider and to consult prior to introducing new or changing policies affecting conditions of employment or working conditions not governed by the Agreement.
- 7.04 The Employer agrees that joint consultation meetings shall occur on a regular basis. Issues which continue to be unresolved will be included on the corporate Union Management Consultation Agenda.

ARTICLE 8 - INFORMATION

- 8.01 The Employer shall provide the Local, within a period of fifteen (15) days, with the names, classification and work location of newly appointed employees.
- 8.02 The Employer agrees to supply each employee with a copy of the Collective Agreement.
- 8.03 The Employer agrees to provide the President of the Local Union of PSAC with a copy of the Employer's current organization chart.

ARTICLE 9 - USE OF EMPLOYER FACILITIES

- 9.01 Reasonable space on bulletin boards in convenient locations will be made available to the Alliance for the posting of official Alliance notices. Posting of notices or other materials, except notices related to the business affairs of the Alliance, shall require prior approval of the Employer.
- 9.02 The Employer will make available specific locations on its premises for the placement of reasonable quantities of literature of the Alliance.
- 9.03 A duly accredited representative of the Alliance shall be permitted access to the Employer's premises to assist in the resolution of a complaint or grievance and to attend meetings called by management.
- 9.04 Where practical, the employer will provide a meeting room to the Local so that it may carry out union business.

ARTICLE 10 - EMPLOYEE REPRESENTATIVES

- 10.01 The Employer acknowledges the right of the Alliance to appoint or otherwise select employees as representatives.
- 10.02 The Alliance shall determine the jurisdiction of each representative.
- 10.03 The Alliance shall notify the Employer in writing the name and jurisdiction of its representatives.
- 10.04 A representative shall obtain the permission of his/her immediate supervisor before leaving his/her work to investigate employee complaints, or process a grievance or undertake any other union business during working hours. Such permission will not be unreasonably withheld. Where practicable, the representative shall report back to his/her supervisor before resuming his/her normal duties.
- 10.05 The Employer shall grant 15 minutes leave with pay for a new employee to meet with a firehall shop steward (or his/her designate) on his/her first day of work, providing the union representative is on shift.

ARTICLE 11 - GRIEVANCE PROCEDURE

- 11.01 The parties agree that discussions should occur between employees, Union representatives and Employer representatives when problems or differences arise in an attempt to resolve problems or differences. This grievance procedure is not intended to preclude any discussion between employees, Union representatives and Employer representatives. Where discussions on problems or differences occur, the time limits in Step 1 will be extended by the appropriate number of days.
- 11.02 If any difference concerning the interpretation, application, operation or any alleged violation of the Agreement arises between the Employer and the Union, or between an employee (s) and the Employer, it shall be processed according to the following grievance procedure. Nothing in this provision deprives employee(s) of any rights or remedies to which they are entitled in any legislation, including the transfer legislation. Grievances involving the interpretation, application, operation or any alleged violation of the Agreement must have the approval and support of the bargaining agent.
- 11.03 The time limits set out in the grievance procedure are mandatory and not directory. In calculating time limits, Saturdays, Sundays and holidays shall be excluded. In the case of employees working in operations where the days of rest are other than Saturdays and Sundays, then their days of rest shall be excluded. If the time limits set up in Step 1, 2 or 3 of the grievance procedure are not complied with, then the grievance will be considered as being abandoned, unless the parties have mutually agreed, in writing, to extend the time limits.
- 11.04 If the Employer fails to meet a time limit, the Union, at its option, may either advance the grievance to the next step or await the Employer's response, in which case no time limit shall run against the Union until it has received the Employer's response.
- 11.05 Employee(s) shall have the right to be represented at any step of the grievance procedure. The employee(s) and the Union representatives shall be given leave with pay to attend such meetings. When an employee has asked or is obliged to be represented by the Alliance in relation to the presentation of a grievance and a representative of the Alliance wishes to discuss the grievance with that employee, the employee and the representative will be given reasonable leave with pay for this purpose. At either Step 1 or Step 2, the Employer representative may be assisted by a Human Resources representative. The Union shall be given full opportunity to present evidence and make representations throughout the grievance procedure.
- 11.06 The employee(s) shall be advised of his/her right to have a Union representative present at any disciplinary meeting or at any meeting held with bargaining unit employee(s) to investigate alleged misconduct of the employee(s).

STEPS OF THE GRIEVANCE PROCEDURE

STEP 1

Within fifteen (15) days of the employee(s) becoming aware of the matter giving rise to the grievance, the employee(s) or the Union may submit a written grievance to the Employer representative, including the redress requested. Within ten (10) days of the receipt of the grievance, the Employer representative shall give written response to the employee(s) and the Union representative.

In calculating the fifteen (15) day period referred to above, only days during which the employee(s) is actively at work shall be counted. Where an employee(s) commences a leave period during the fifteen (15) day period, calculation of the time in which the employee(s) has to file the grievance will be suspended. Upon return to work the employee(s) shall have the balance of the fifteen (15) day period as calculated above in which to file the grievance.

STEP 2

If a satisfactory settlement has not been obtained under the previous step, then the employee or the Union representative may within ten (10) days of the receipt of the Employer's decision under Step 1 render the grievance in writing, including the redress requested, to the level of management above the Employer representative referred to in Step 1 with a copy to Human Resources. This level of management (Employer representative) shall call a meeting and render a decision within ten (10) days of the receipt of the grievance.

STEP 3

If the grievance is not satisfactorily settled under Step 2, then the grievance may be referred to arbitration, within twenty (20) days of the expiry of the time limits set out in Step 2. The parties agree that a single arbitrator shall be used as provided for in the Canada Labour Code. The Employer and the union shall make every effort to agree on the selection of the Arbitrator within ten (10) days after the party requesting arbitration has delivered written notice of submission of the difference to arbitration.

In the event that the parties fail to agree on the choice of an arbitrator, they shall forthwith request the Minister of Labour to appoint an arbitrator.

The arbitrator shall have all the powers vested in it by the Canada Labour Code, including, in the case of discharge or discipline, the power to substitute for the discharge or discipline such other penalties that the arbitrator deems just and reasonable in the circumstances, including compensation for lost income. The arbitrator shall render his award within a reasonable period.

The decision of the arbitrator shall be final and binding on both parties.

Each party shall bear one-half (1/2) the cost of the arbitrator.

The arbitrator shall not change, modify or alter any of the terms of this contract.

EXPEDITED ARBITRATION PROCEDURE

The parties agree that, by mutual consent only, any grievance may be referred to the following expedited arbitration procedure:

- a) Grievances referred to expedited arbitration must be scheduled to be heard within ninety (90) days from the date of referral, unless the hearing is delayed by mutual agreement between the parties or by the arbitrator,
- b) The arbitrator must render the written decision as soon as possible but no later than ten (10) working days after the date of the hearing,
- c) The decision of the Arbitrator shall not constitute a precedent,
- d) Such decisions may not be used to alter, modify or amend any part of the collective agreement, nor should any decision be incompatible with the provisions of the collective agreement,

- e) Such decisions from the expedited format shall be final and binding on the parties,
- f) The arbitrator shall be chosen by mutual agreement between the parties.

ARTICLE 12 - SUSPENSION AND DISCIPLINE

- 12.01 No employee will be disciplined without just and sufficient cause. When an employee is suspended from duty, the Employer undertakes to notify the employee in writing of the reason for such suspension. The Employer will give such notification at the time of suspension.
- 12.02 The Employer shall notify the local representative of the Alliance that such suspension has occurred.
- 12.03 When an employee is required to attend a meeting, the purpose of which is to render a disciplinary decision concerning him/her, the employee is entitled to have, at his/her request, a representative of the Alliance attend the meeting. Where practicable, the employee shall receive a minimum of one day's notice of such a meeting.
- 12.04 The Employer shall not introduce as evidence in a hearing relating to disciplinary action any document from the file of an employee the content of which the employee was not aware of at the time of filing or within a reasonable period thereafter.
- 12.05 Any document or written statement related to disciplinary action, which may have been placed on the personnel file of an employee shall be destroyed after two (2) years have elapsed since the disciplinary action was taken.

ARTICLE 13- DISCRIMINATION

- 13.01 There shall be no discrimination, interference, restriction, coercion, harassment, intimidation, or any disciplinary action exercised or practised with respect to an employee by reason of age, race, creed, colour, national or **ethnic** origin, religious affiliation, sex, sexual orientation, family status, marital status, criminal record for which a pardon has been granted, mental or physical disabilities or membership or activity in the Union.
- 13.02 Accordingly, the provisions of this Agreement shall be interpreted and applied in a manner consistent with applicable human rights legislation.
- 13.03 In the event of a violation of this Article by the Employer, an arbitrator shall have the jurisdiction to hear the complaint and have the remedial powers set out in Section 53 of the Canadian Human Rights Act.
- 13.04 Where an employee makes a complaint to the Human Rights Commission, the complaint shall not be arbitrable and no grievance shall be filed by the Alliance in respect of such complaint.
- 13.05 There shall be no discrimination in respect of employment by reason of membership or activity in the Alliance. An allegation of such discrimination is subject to the Grievance Procedure.

13.06 The employee shall receive a copy of the investigation report.

- a) Any level of the grievance procedure shall be waived if a person hearing the grievance is the subject of the complaint.
- b) If by reason of (a) a level of the grievance procedure is waived, no other level shall be waived except by mutual agreement.
- c) Grievances under this Article will be handled with all possible confidentiality and dispatch by the Alliance and the Employer.

ARTICLE 14 - HARASSMENT

14.01 The Employer, the employees, and the Alliance recognize the right of all persons employed by the Employer to work in an environment free from sexual or personal harassment, and agree that harassment will not be tolerated in the workplace.

14.02 In the event that a harassment allegation is not resolved to the satisfaction of either party, the matter may be referred to the grievance procedure described in Article 11. In this event, all parties agree to waive Step 1 of the grievance procedure.

ARTICLE 15 - EMPLOYEE STATUS

15.01 FULL TIME EMPLOYEES

A full time employee is an employee hired for an indeterminate period whose hours are those established in Article 17 - Hours of Work.

15.02 TERM EMPLOYEES

- a) Term employees are employees hired for a specified period of time determined at the time of hire, not to exceed eighteen (18) months for the purpose of:
 - i) replacement of permanent employees who are on leave with or without pay, or,
 - ii) short-term assignments, or,
 - iii) non-recurring work
- b) Term employees may be hired for a period of time exceeding eighteen (18) months if they are hired for the replacement of permanent employees on leave as follows:
 - i) pursuant to clause 28.09, 29.05, 29.13, or
 - ii) on extended sick leave or long term disability, or
 - iii) who may have been assigned to a special project related to the Air Terminal Redevelopment Project (ATB) and is expected to return to their original position,

or, if the Term employee is hired for projects specific only to ATB.

- c) All Term employees will be advised in writing of their termination date when hired. With the exception of clause 15.02 (b) above, if the term of employment extends beyond eighteen (18) months in the same position, the individual will be granted non-probationary, indeterminate employment status.

Terms are covered by all provisions of this collective agreement, except Article 35 - Layoff/Recall and Severance.

For the purpose of Vacation Leave, Term employees will, at the time of hire, choose one of the following options:

- a) receive six (6%) vacation pay on a bi-weekly basis; or
- b) receive six percent (6%) vacation pay on a bi-weekly basis and be entitled to the equivalent amount of vacation leave without pay at a time convenient to the employee and the Employer; or,
- c) accumulate vacation leave with pay at the rate of one and one quarter (1 1/4) days for each month in which the employee receives at least ten (10) days pay. Earned vacation leave with pay can be taken after the completion of six months continuous service at a time convenient to the employee and the Employer.

If the term of employment extends beyond six (6) months of continuous employment the employee is eligible for coverage under the sick leave provisions outlined in Article 39 and may participate in the benefit plans.

Full-time employees who are appointed to term positions will continue to be covered by all provisions of the collective agreement and will be returned to their former position upon completion of the term assignment.

ARTICLE 16 - PROBATION

- 16.01 All newly hired employees shall be considered probationary employees. Article 12.01 does not apply to probationary employees.
- 16.02 Firefighters shall complete a twelve month probationary period.
- 16.03 During the probationary period an employee will have his/her performance discussed and reviewed with them on a regular basis.

ARTICLE 17 - HOURS OF WORK

- 17.01 For the purpose of this Article:
 - a) "day" means a twenty-four (24) hour period commencing at 00:01 hour,
 - b) "week" means a period of seven (7) consecutive days beginning at 00:01 hour Monday morning and ending at 24:00 hours the following Sunday night.

17.02 Schedules of work

- a) When establishing schedules of work the Employer shall consider the wishes of the majority of the employees concerned.
- b) The Employer will make every reasonable effort to:
 - i) avoid excessive fluctuations in hours of work;
and,
 - ii) not schedule more than six (6) consecutive days of work, unless otherwise requested by the employees,
and,
 - iii) to schedule at least two (2) consecutive days of rest at a time. Such two (2) consecutive days of rest may be separated by a designated paid holiday.
- c) When an employee's scheduled shift does not commence and end on the same day, such shift shall be considered for all purposes to have been entirely worked.
 - i) on the day it commenced where half or more of the hours worked fall on that day,
or,
 - ii) on the day it terminates where more than half of the hours worked fall on that day.

Accordingly, the first day of rest will be deemed to start immediately after midnight of the calendar day on which the employee worked or is considered to have worked his or her last scheduled shift; and the second day of rest will start immediately after midnight of the employee's first day of rest, or immediately after midnight of an intervening designated paid holiday if days of rest are separated thereby.
- d) The Employer will provide two (2) rest periods of fifteen (15) minutes each per full working day. However, if due to operational requirements the Employer does not permit an employee to take a rest break the employee will be given equivalent time off with pay.

17.03 Changes to Schedules of Work

- a) The Employer agrees that there will be meaningful consultation between the parties to this agreement and the employees concerned before any schedule of work is changed. This clause does not apply to circumstances when the Employer changes an individual's shift or scheduled hours of work within the posted schedule of work.

Changes in any schedule of work will only be made to meet operational requirements.

- b) Upon request from the Local Alliance representative (s), the parties will meet to review the existing schedule of work. The Employer will review with the Local Alliance representative (s) any change in the schedule of work which the Employer proposes to institute. In all cases following such reviews, the Employer will make every reasonable effort to accommodate the concerns and recommendations made by the Local Alliance representatives. By mutual agreement, in writing, the Employer and the Local Alliance representative(s) may waive the application of clause 17.07 (f) (i).
- c) Within five (5) days notification of consultation served by either party, the Alliance shall notify the Employer in writing of the representative authorized to act on behalf of the Alliance for consultation purposes.

17.04 Variable Hours of Work

- a) Subject to operational requirements, employees may complete their weekly hours of employment in a period other than five (5) full days provided that over a period to be determined by the Employer, employees work an average of the hours of work outlined in 17.07 (a). In every such period employees shall be granted days of rest on days not scheduled as normal work days for them.
- b) Notwithstanding anything to the contrary contained in the Agreement the implementation of any variation in hours shall not result in any additional overtime work or additional payment by reason only of such variation, nor shall it be deemed to prohibit the right of the Employer to schedule any hours of work permitted by the terms of this Agreement.
- c) Any special arrangement may be at the request of either party and must be mutually agreed between the Employer and the majority of employees affected and shall apply to all affected employees at the work unit.

17.05 General Terms Respecting Variable Work Weeks

- a) The scheduled hours of work of any day as set forth in a variable work schedule may exceed or be less than the regular workday hours specified by this Agreement. Starting and finishing times, meal breaks and rest periods shall be determined according to operational requirements.
- b) Whenever an employee changes his/her variable hours or no longer works variable hours, all appropriate adjustments will be made.

17.06 Conversion of Days to Hours

The provisions of this Agreement which specify days will be converted to hours. Where the Agreement refers to a "day", it shall be converted to hours in accordance with the Hours of Work specified in this Agreement.

Notwithstanding the above, in Clause 29.07 - Bereavement Leave With Pay, a "day" will have the same meaning as the provisions of this Collective agreement.

- 17.07 a) Subject to operational requirements, the current modified schedule average of forty-two (42) hours per week for the firefighters will continue and includes one (1) forty (40) minute paid meal and cleanup break during each shift. The paid meal break is not included in the calculation of average weekly regular working hours, but is included for the calculation of benefits. The meal break shall be scheduled as close to the mid point of the shift as possible, but the employee must remain in response mode in accordance with applicable regulations and standards.

If, due to operational requirements, the Employer does not permit an employee to take a meal break at any time during the shift, the employee will be given equivalent time off with pay.

Confirmation of this modified work schedule shall be submitted to Human Resources Development Canada.

- b) An employee's scheduled hours of work shall not be construed as guaranteeing the employee minimum or maximum hours of work.
- c) The Employer will operate the firehall on a four (4) platoon system. The Employer recognizes the firefighters preference to maintain the current shift schedule. The current shift schedule which includes ten (10) and fourteen (14) hour shifts will not be changed unless the operating status of the Airport changes and the level of service required at the Edmonton International Airport is less than twenty-four hour coverage. If a shift schedule change is required consultation between the parties will be conducted under the process outlined in Clause 17.03 of this Article. An eighteen or sixteen hour shift pattern will be implemented.
- d) A shift schedule shall be posted in the Firehall at the beginning of each fiscal year.
- e) The Employer agrees that no shift schedule shall provide for split shifts.
- f) i) The Employer shall post a duty roster in each Fire Hall eight (8) days in advance. If, as a result of a change in a duty roster, an employee is transferred to another platoon on less than ninety-six (96) hours' notice in advance of the starting time of the first shift of the employee's new platoon, the employee shall be paid at the rate of time and one-half (1 1/2) for the first shift worked in the schedule of the employee's new platoon. Subsequent shifts worked on the schedule of the employee's new platoon shall be paid for at the employee's hourly rate of pay.
- ii) Sub-clause (i) shall not apply to an employee when the employee is returned to the employee's regular platoon following a temporary assignment to a new platoon.
- g) Platoon transfers will be voluntary and where there are no volunteers then the transfer will be assigned to the employee with the least service.

- h) Provided sufficient advance notice is given and with the approval of the Employer, employees may exchange shifts if there is no increase in cost to the Employer.

ARTICLE 18 - OVERTIME/REPORTING PAY

- 18.01 Subject to operational requirements, the Employer shall make every reasonable effort to avoid excessive overtime and to allocate overtime on an equitable basis among available qualified employees.
- 18.02
 - a)
 - i) Consistent with the nature of the work overtime assignments will be offered to employees in a manner intended to result in an equalized distribution of overtime opportunities.
 - ii) Overtime assignments shall be offered in accordance with (i) above to employees who normally and regularly do the work in question who are available.
 - iii) Where an insufficient number of employees referred to in (ii) are available for overtime work, overtime shall be assigned to the most junior of these employees who are available.
 - iv) In the application of (iii) above, an employee has the right to decline an overtime assignment where the employee has recently worked a significant amount of overtime provided suitable alternatives can be found.
 - b) Except in cases of emergency, call-back or mutual agreement with the employee, the Employer shall give at least four (4) hours notice of any requirement for overtime work.
- 18.03 Overtime shall be compensated on the following basis:
 - a) time and one-half (1 1/2) for each hour worked for the first four (4) hours and double time (2x) thereafter in excess of the employee's normal scheduled daily hours;
 - b) **Effective September 1, 2007, double time** for each hour worked on the first day of rest;
 - c) double time for each hour worked on the second or subsequent day of rest (second or subsequent day of rest means the second or subsequent day in an unbroken series of consecutive and contiguous calendar days of rest).
 - d) an employee who reports for work as directed on a day of rest shall be paid for the time actually worked, or a minimum of three (3) hours pay at the applicable overtime rate, whichever is greater.
 - e) an employee is entitled to overtime compensation for each completed fifteen (15) minute period of overtime worked by the employee. Overtime must be pre-authorized by the designated Employer representative to be eligible for compensation.

- f) the employer will pay overtime compensation unless the employee has requested compensatory leave with pay within two weeks of submission of the overtime claim.

18.04 When an employee is required to work overtime and is required to use transportation other than normal public transportation services, the employee shall be reimbursed for reasonable expenses incurred as follows:

- a) **Mileage at the per kilometre rate established for the Alberta region by the Treasury Board of Canada schedule for travel on government business.**

Or

- b) out-of-pocket expenses for other means of commercial transportation.

18.05 When an employee is required to work overtime and is required to use a caregiver, and the other parent is not available to care for the dependent, the employee shall be reimbursed for reasonable out of pocket expenses. When required by the employer the employee will substantiate out of pocket expenses.

- 18.06
- a) Overtime shall be compensated in cash except where, upon request of an employee, overtime may be compensated in equivalent leave with pay. All employees are eligible to bank a maximum of ten (10) working days equivalent leave per fiscal year. The duration of such leave will be equal to the overtime worked multiplied by the applicable overtime rate.
 - b) The Employer shall grant compensatory leave with pay at times convenient to the employee and the Employer.
 - c) Compensatory leave with pay not used by the end of the fiscal year will, at the discretion of the employee, be paid for in cash at the rate in which it was earned. Alternatively, it may be carried forward and if taken in time-off, the compensatory leave will be paid at the employees current rate of pay. In the case of a carryover, the amount carried forward in the new year will be included in the maximum of ten (10) working days equivalent leave referred to in 18.06 (a).

Employees are required to utilize compensatory time carried forward from a previous year prior to utilizing compensatory time banked in the current year.

- 18.07
- a) An employee who works three (3) or more hours of overtime, immediately before or following the employee's scheduled hours of work shall be reimbursed for one (1) meal in the amount of nine dollars (\$9.00), except where free meals are provided.
 - b) When an employee works overtime continuously beyond the period provided in (a) above, the employee shall be reimbursed for (1) additional meal in the amount of nine dollars (\$9.00) for each four (4) hour period of overtime worked thereafter, except where free meals are provided.
 - c) When an employee works overtime which is not contiguous to his/her regularly scheduled hours of work and the duration of which exceeds his/her normal regular hours of work, the employee will be provided with a meal allowance in

the amount of \$9.00 after the first three hours of additional overtime and another meal allowance in the amount of \$9.00 for each additional four (4) hours of overtime worked except where free meals are provided.
