

FIX PHOENIX PAY SYSTEM

PSAC is doing everything
in its power to ensure the
new pay system is fixed
so you get paid
correctly and on time

PSAC - Fighting for Justice

- We successfully fought to compensate workers for Phoenix related costs
- We're taking the government to court
- We took the issue directly to Judy Foote, Minister responsible for Phoenix
- We're advocating for Miramichi workers caught in the nightmare
- We filed a complaint about privacy breaches
- We're exposing the extent of the crisis by telling our members' stories

File a compensation claim:
