Firehall Committee Recommendations

Preamble:

The following pages summarize the recommendations of the working group:

The Regina Airport Authority (RAA) and the Public Service Alliance of Canada signed a Letter of Intent (Appendix 3.1) to develop recommendations to address the excessive over-time requirements currently needed to meet operational / legislated requirements in the firehall, by considering various operating scenarios including 18, 20 and 24 hour shift coverage patterns and discuss related staff requirements. Compliance with Canada Labour Code considerations dealing with over-time limitations is mandatory in arriving at any recommended options.

The Committee has met several times and has reached consensus on a majority of items that we are now recommending without prejudice to the "main table" bargaining teams.

Both the union and the employer have provided their comments on the outstanding issues on which consensus could not be reached. As a Committee, we have reached an impasse on these issues and submit these items to the main bargaining table for resolution.

Committee Members

Appointed by the Employer: Mr. Steve Burchi V.P. Operations
Mr. Rick Proulx Manager, Airport Operations

Appointed by the Union: Mr. Chad Kemery Firefighter/President Local 40403
Mr. Kevin Joa Firefighter

1. Recommendations

1.1 The firehall shall implement a 20 hour shift with 3 crews of 3 working a modified 2 on 4 off shift pattern as per Appendix 3.2. Crews will consist of 1 Captain (or Acting Captain) and 2 Firefighters. The 20 hour shift will be implemented effective January 1, 2009 and the schedule will be interpreted in accordance with the provisions of Article 16 of the collective agreement.

1.2 "Scheduled Days Off (SDO)" will be scheduled as follows:

- a) As per Appendix 3.3, a "SDO" wheel shall be used as a means of electing "no work days". Each Captain (or Acting Captain) will make his crew members election known to the employer no later than 7 days before the start of the month in which the day is to be taken.
- b) If a crew member fails to elect a "SDO" then the crew member's "SDO" day remains as originally scheduled.

- c) A "SDO" shall not be scheduled on days when the duty roster is at minimum manning levels (two firefighters on duty).
- d) Crew members may change or exchange a "SDO" if no conflicts exist and the change complies with point c) above and the change or exchange is approved by the employer.

- 1.3** All leave will continue to be administered in accordance with the provisions of the CBA.
- 1.4** Staffing of 1 Crew Captain position as per Article 28 of the RAA / PSAC Collective Agreement will be expedited to fulfill the requirements of the 20 hour shift schedule.
- 1.5** No later than March 31, 2009, it is agreed that the current FR-04 position will either become one of the 3 Crew Captains (Present Incumbent only) or be assigned Monday to Friday hours work in accordance with Article 16. This time period is necessary to provide sufficient time to either hire and train an additional firefighter or to recruit a fire chief. It is agreed that the current practice utilizing the FR-04 position in the shift schedule will continue no later than March 31, 2009.

2. Firehall Committee Status

The Committee will remain active and meet a minimum of once every 6 months or as required to review any success, concerns, progress and challenges that arise as a result of the transition to the new 20 hour shift. The Committee will review suggestions for improvement and alternatives in the delivery of a 20 hour operating window if required.

The Committee will be disbanded by consensus when members feel no additional issues remain or the Committee no longer has a mandate to affect positive change.

Signed in Regina on November 20, 2008

PUBLIC SERVICE ALLIANCE OF CANADA

As part of the resolution of grievances 2001-03 and 2001-04 dated November 7, 2001 and November 13, 2001, the Regina Airport Authority Inc. (RAA) and the Public Service Alliance of Canada (PSAC) agree that the Collective Agreement between them, for the life of the Collective Agreement, shall be interpreted as follows:

1. Article 5.03 shall be interpreted as containing two separate obligations on the part of the Employer, namely:
 - (a) **an obligation to make every effort not to lay-off employees or to contract out existing bargaining unit work for the life of the Collective Agreement;**
 - (b) **in the extreme and limited circumstances denoted in Article 5.03 – i.e. where unforeseen circumstances beyond the control of the Employer prevent the Employer from meeting its financial obligations and which may impact the Employer’s ability to pay the Employees – an additional obligation to meet with the Union to negotiate a resolution as more particularly set forth in the said second and third sentences.**
2. The words “in accordance with Article 5” as used in Article 32.01 shall be construed as referring only to the obligation contained in subparagraph 1(a) above and not to the obligations contained in subparagraph 1(b) above.
