

# RETIREMENT REVOLUTION

A WEBINAR WEDNESDAY PRESENTATION

**WEDNESDAY, FEBRUARY 11**  
7PM (MB/SK) / 6PM (AB)

Retirement security is an issue that affects everyone. Whether you're new to the workforce or close to retiring, have a pension or are relying on CPP, this month's free webinar is one you won't want to miss!

We'll discuss the current pensions landscape in Canada, including CPP, the attack on pensions and labour's response. We'll also touch on current bargaining trends for pensions, women and pensions, and more.

**This webinar will take a broad approach to pensions, to be inclusive of PSAC's diverse membership. Members will also have an opportunity to ask questions.**
