### TC Bargaining Information Sessions - MANITOBA

Technical Services (TC) Bargaining Team member Sister June Winger will be in Winnipeg to provide a bargaining update and answer questions on Tuesday and Wednesday, June 11<sup>th</sup> and 12<sup>th</sup>, of 2013. The sessions will be held at Public Service Alliance of Canada Regional Office 460-175 Hargrave, Winnipeg. In order to accommodate varying schedules one session will be held at noon each day and one session will be held at 6:00 PM each day. Tentatively the noon session on June 11<sup>th</sup> will include a conference call option for those unable to attend any of the sessions at the times provided, in person.

We need to know how many people will be attending so that we can assure that proper space is available. We request that you send an Email to Brother Bruce Campbell indicating the number of participants that will be coming to the Office. In the case of the Conference Call we need to ensure that sufficient lines are available and we will need to provide the call coordinates to you.

If there is sufficient demand for additional sessions and/or locations this will be reviewed and every effort made to accommodate such a request. Again please communicate this to Brother Campbell at the coordinates provided below.

Thank you for your continuing support of the TC BARGAINING TEAM and we look forward to the opportunity to meet and discuss the issues with each of you.

In Solidarity

JUNE WINGER, TC Bargaining Team
