

# PSAC - PRAIRIES WEBINAR TREASURY BOARD BARGAINING

## A Webinar for PSAC - Prairies Members

*PSAC – Prairie Region is pleased to present a Prairies Webinar on Treasury Board Bargaining.*

*During our latest talks in December, the government proposed a wage increase of only 0.75% per year for 4 years. This is an insulting offer. It won't even come close to keeping up with inflation. Worse, the government has said no to retroactive payments, and requested the new agreement only take effect 365 days after it is signed by both parties – this amounts to a two year wage freeze.*

*As a result, the PSAC has declared a bargaining impasse.*

*This webinar will discuss what happens next and allow members to hear from bargaining team members directly.*
