

SAFETY & RESPECT FOR ALL WOMEN

March 3, 2016

Dear Sisters and Brothers,

March 8 is International Women's Day, an annual celebration of women's economic, political and social achievements. To build on this celebration, we are happy to announce that registration is now open for the 2016 PSAC Prairie Region Women's Conference!

Members can register online (<http://prairies.psic.com/>) and the conference will take place on June 11 and 12 in Winnipeg. As sisters gather from across the Prairies, our objective is to have conference participants reach out and involve other members to build our women's committees and mobilize to contribute collectively for social change.

We encourage you to attend a local International Women's Day events as a show of support and solidarity. Please visit the Prairies website to download the IWD 2016 flyer that can be distributed to members in your local (<http://prairies.psic.com/>). You can also contact your local PSAC Regional Women's Committee or Regional Office for information about events in your area.

In Solidarity,

Marianne Hladun, hladunm@psac.com
Regional Executive Vice-President
Public Service Alliance of Canada, Prairies

Gloria Kelly, tgkelly@live.ca
(Interim) Regional Women's Committees
(RWC) Rep, PSAC Prairie Region Council
