

DECEMBER 3-4, 2016

NORTHERN ALBERTA WOMEN'S SEMINAR

This seminar on December 3rd will focus on Domestic Violence, in the Workplace.

The day will start with very strong motivational speakers who will speak to the politics and law, social programs, economic empowerment and membership engagement around Domestic Violence.

This seminar will host an afternoon workshop on the impact of Domestic Violence, in the Workplace.

The second day will feature a workshop where participants gain an understanding of and history of the National Day of Remembrance and Action on Violence Against Women.

Register today and join the PSAC Northern Alberta Women's Committee at this Seminar.

Application deadline is Friday November 18, 2016
